

MFQ370 offers a professional, tough and versatile workhorse, packed full of innovative features, in a compact and convenient package.

Perfect for allergy sufferers and customers who require high filtration

Long product life from our 780W motor.

Tough bumper for wall and door protection.

Stainless steel tubes and versatile Combination Floor Tool.

Full accessory kit.

Cable hook for tidy storage

902923 - 270mm ProFlo Combination Floor Tool

Excellent allergen retention against household dust and pet allergies.

Equipped with an advanced 3-stage HEPA H13 filtration system, the PPH320 traps particles up to 800 times smaller in width than a human hair; including common allergy-triggers, such as pollen, pet dander and dust mites.

H13 Filter that lasts the lifetime of the motor.

NVM-2 BH HepaFlo Bags
Innovative self seal tab locks all the dust in the bag, meaning emptying with no dust and no mess.
