

Wet and dry vacuum cleaner that packs a powerful punch

Transform your home, car or workspace with ease with the Multi II 30 T, which promises a highly efficient clean. The innovative machine features a filter clean indicator and semi-automatic Push & Clean filter cleaning function.

Nilfisk's second generation Multi II vacuum cleaners are designed to simplify everyday cleaning tasks. The filter cleaning indicator and Push & Clean function will ensure consistently high performance, guaranteeing you a first-class clean every time. The 1400 watt motor promises effective results, and with the variable suction control you can change the machine's power depending on your needs.

- Filter clean indicator for continued high performance
- Features Push & Clean: a semi-automatic filter cleaning function
- Sturdy build with a robust 1400 watt engine for long life
- High suction power for efficient cleaning
- Blow function for alternative cleaning options
- 30-litre container capacity
- Polypropylene container for easy cleaning
- Features variable suction control and Inox container
- Steel tubes included
