Trolley Vacuum

Numatic

An innovative vacuum design providing ease of handling and the total convenience of lift-off storage for all the cleaning essentials.

Increase productivity by using the optional extra caddy (red, blue, green or yellow) as the PPT can accommodate even more storage with the option of adding a second. The unique plugged cable rewind system allows simple cable replacement if needed and HepaFlo filtration not only raises performance standards but also provides for clean and convenient emptying when full.

Ensure ease of transit with large rear wheels that provide stability and ease of transport on stairways, telescopic pull handle for convenience and lift-off storage caddy for extra storage. Convenient on-board wand and floor-tool storage to keep everything close to hand.

Ease of Transit

Large rear wheels, telescopic pull handle and lift-off storage caddy.
