

New features to offer higher cleaning performance and productivity

SW900 walk-behind sweeper for both indoor and outdoor use offers dust free removal of dry debris. It will increase everyday operator productivity with valuable new benefits. Total control from operator position, improved ergonomics with hopper on wheels and a higher cleaning performance.

The SW900 offers valuable benefits to businesses looking for a time-saving, more productive and easy-to-use sweeper ensuring dust free sweeping of dry debris. An ideal sweeper for cleaning contractors, industry and manufacturing, schools, warehouses, hotels, exhibition & conference centres. with both higher cleaning performance and productivity.

- All controls can be operated from operator position.
- More comfortable to manoeuvre with new ergonomic handlebar
- Easier to adjust speed: New traction lever integrated in handlebar.
- 60 litre hopper which is easy to roll off from the sweeper
- New side broom control on handlebar.
- Automatic on/off when side broom is lowered/raised.
- Quicker and more effective cleaning of filter:
- New electric shaker system.
