

# TEL390S

L-Class Vacuum

**TRADELINE** 390

# Numatic

**Designed and built for work and to work hard, TradeLine delivers a big clean-up machine for use in the workshop or on the worksite. With a high-efficiency power head, full accessory kit and huge 18L capacity, TradeLine is built for the tough stuff.**

Engineered with a HEPA H13 filter – alongside a TriTex filter, HepaFlo Filter Bags and patented AirFlo technology – TradeLine provides L-Class certification for advanced filtration of mixed dust, combined with professional power and performance.

### More Cleaning Productivity

Long cleaning reach with 12.5m cable, meaning less time unplugging and more time cleaning.

### Huge Capacity

Less time emptying with a capacity up to x8 bigger than many bagless vacuums.

### Powerful Cleaning

Powerful, efficient and long-life cleaning technology.

### Built to Last

Professional, tough and versatile workhorse full of innovative features

### Stores Neatly Away

On-board tool storage means tools are always to hand and neatly packed away.

### Kit AS10

#### 1 HEPA13 Filter Cartridge

Certified HEPA13 filtration down to 0.3 microns at 99.95% efficiency. Our most advanced filtration in the Numatic commercial vacuum series.

#### 2 TriTex Filter

Traps fine dust within its high-efficiency, triple-layer membrane.

#### 3 Triple-layer HepaFlo Filter Bag

3-layers of high-efficiency filter material and unique self-seal tab, allowing for easy, clean and hygienic emptying.

Long 10m Cable

Specialist FreeFlo Tool for Hard Floors

Large "Site-ready" Wheels
