

## The most compact and powerful ever

The VHS120 is the ideal vacuum cleaner when there is need of high performances in compact dimensions for collecting any type of waste material.

The VHS120 is the compact mobile single phase vacuum cleaner equipped with n°2 by-pass motors and 37lt removable container to secure the highest performances and collection capacity when a limited space is available. The high filter surface, optional HEPA14 absolute filter and M-Class start filter with glued seams guarantee the highest filtering performances while manual filter shaker a quick cleaning of the main filter keeping the vacuuming efficiency high. Performances can be easily monitors thanks to the vacuum gauge on the motor head. The optional tool basket allows an easy and quick storage of accessories at the end of use

- Single phase, n°2 by-pass motors
- Compact dimensions
- Stainless steel version
- Absolute filtration version
- M Class star filter version
- High container capacity
- Container easy to remove and empty
